Hon. Benjamin E. Diokno
Chairperson, GPPB
Secretary, Department of Budget and Management

SIR:

Greetings!

This has reference to our failure to submit the 2019 Agency Procurement Compliance Indicators (APCPI) evaluation. This Office is aware that the deadline for submission is extended until June of 2020 through GPPB Resolution No.04. 2020.

However, this office is constraint to submit despite its due to diligence effort because of the following reasons to wit:

1. Inavailability of the accredited Civil Society Organization (CSO), due to limited mobility brought by Covid-19, as Province of Negros Oriental was adversely affected by the pandemic, thus strict lockdown was implemented; and
2. The BAC Chairperson and its members are just newly constituted. Being a neophytes to the organization, they have not attended yet the necessary trainings specifically on the APCPI evaluation.

Certain of your kind consideration and unquestionable expertise on the matter at hand, We do hope and pray that the foregoing reasons merits your favorable action and our failure to submit maybe consider and/or justified.

Thank you, more power and God bless!

Very truly yours,

SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent
